Dear Respected Judge Levy, I am writing to thank you for your time yesterday to address my motion although busy with a jury selection. I hope that all went well for you, I always keep you in my prayers as you already know.

I have been thinking a lot about our conferences and meetings and remembered what you told me back in November that perhaps, my trust issues may affect my attorney client relationship. In all Reality, you are right, I will take your advice more seriously and share with you my current state of mind.

Yesterday, you stated that you didn't know how to handle the immigration matter and I said in response, that I had a Backup plan/strategy in case it wasn't handled. Well, It is a fact, for I have been studying the Immigration & Nationality Act & U.S.C.A. § 1227 in Reference to my 6<sup>th</sup> Amendment Right, Due Process and Rights as an "Alien" on America's Soil.

See Case 1:14-mj-00463-PML Document 71 Filed 04/21/15 Page 2 of 3 PageID #: 852  
whom deportation was vacated and Released from Prison  
on a psychiatric outpatient program. There is a  
one year Rule which applies to me until April 29<sup>th</sup>  
for my Arrest was April 29<sup>th</sup> 2014 and my one year  
is expiring shortly, For that is how long I have been  
in Federal custody. There, I have an urgency to  
handle this Immigration matter prior my birthday  
on May 17 and our conference on May 19. To insure  
my protection this matter shall be handled immediately,  
preserving and honoring my due process Right, as well  
as my 6<sup>th</sup> Amendment Right. see Sakau IWS  
and Fong Hawaii Tan v Phelan.

I will share with Mdr. Colson the procedure which  
can be Ruled on a motion in criminal court proceedings  
or it does not Require the intervention of an immigration  
court. It is a waiver procedure particularly designed  
to protect "Aliens" such as myself from due process (violation)  
violations, 6<sup>th</sup> Amendment Right violations & illegal deportation,  
+ Regularly incur in criminal proceedings. Furthermore,  
have also Submitted her the motion I advised  
would file yesterday, pertaining my assets, that is  
a motion to Suppress evidence Rule 41 (f). Upon  
review, she will also file that motion. Please  
share it with Mr. Nasson for it to be argued on May 19.  
when he Returns From vacation. I am also filing a Motion Rule 41 (g)  
for Return of Property.

I want to apologize if I seemed or appeared to be either intolerant / impatient please understand I was Recently victim of Perjury by AUSA Lerer per exhibit 4 Supp. filed yesterday. Besides, all I have already endured. I am trying to keep my poise and remain patient however, I believe that by the information I have supplied, you can acknowledge the degree of the severity of my concerns, I have advised the Inspector General of DOJ, Loretta Lynch and will also advise the White House shortly of this for it is a crime, a serious crime, perjury is prosecutable and I want Justice in every possible shape and form. Mr. Wasson is not the one who committed the offense however, he is representing the Government whom is responsible for the numerous violation of my rights which I intend to earn justice for.

In light of this, I apologize for anything I may have said that may have not expressed my gratitude towards your compassion and diplomacy for surely you have shown great ethics which I will always acknowledge. Thank you greatly Honorable Judge Levy.  
Resards Ms. Doris Henriette Yembe. God Bless you ☺
